

Class Name	Session Number	Description	Supplies to Bring	Cost*
"It's a Wrap"	1st S—W1 2nd S—W16	Create and decorate boxes and bags to make even the simplest gifts special. (Janice Kamada)	Scissors	\$5
Easy Ribbon Ornament	1st S—W2 2nd S—W17	Beautiful geometric origami ribbon ornament—looks complicated to make, but even a child can make it. Choose your favorite colors for school, sports or Christmas. (Mei Kimura)	Scissors	\$5
All Tied Up	1st S—W3 2nd S—W18	Mizuhiki is the art of tying cords into intricate designs. These creations are used for decorations on gifts, ornaments on a tree, or as a pin. You will need nimble fingers and your eyeglasses. (Claire Seki)	Sharp Scissors	\$5
Sharpie Art	1st S—W4 2nd S—W19	Decorate your canvas tote bags or shoes with Sharpie markers. Easy simple designs to very detailed art. Bring your own shoes or bag and your own markers (no cost). Or, use my markers (\$2). Buy a tote bag and use my markers (\$5). (Karen Urbano and Gail Sakaguchi)	See List	\$0—\$5
Bracelet	1st S—W5 2nd S—W20	Come join the fun of making a bracelet with meaning. A mixture of beads and charms to represent the Bible verse John 3:16. A great way to share belief with others and an opportunity to share the importance of this verse, God's love and promise for us. (April Shinto)	None	\$10—12
Ribbon Lei	1st S—W6 2nd S—W21	Going to a luau soon? Might want to make one for each of your muumuus or to give to someone for their special occasion. You'll love stitching and twisting ribbons to make this lovely lei. (Kay Ujimori)	None	\$4
Cell Phone Charm/Zipper Pull & Bracelet	1st S—W7 2nd S—W22	Decorate a cell phone or zipper pull with this easy and very cute craft. We will also make an easy elastic bracelet with designer quality glass beads. All you have to do is assemble. (Dana Wakamoto)	Jewelry tools (Optional)	\$10
Card Making	1st S—W8 2nd S—W23	Just like cooking up your favorite foods, making homemade cards is just the same. Add a little bit of this, a pinch of that, add some paper and ink and like magic a quick and easy card is created. If time permits, you can make two or more cards (Marilyn Fukuda)	Small cutting scissors	\$5
Recipe or Treasure Box	1st S—W9 2nd S—W24	Lacquer washi paper to create a recipe or treasure box and decorate with mizuhiki. You'll want to purchase many kits to make these lovely gift items. (Nan Okada)	None	\$6
Gift Card Holders	1st S—W10 2nd S—W25	Giving gift cards is an easy gift that recipients love. How about making it even more special by making a gift card holder. It'll be so special they will want to keep it to give to someone else with a gift card inside. (Cheryl Segawa)	None	\$3
Rubber Stamping Cards	1st S—W11	New techniques in coloring rubber stamped cards using coloring pencils and odorless mineral spirits making cards using Cuttlebug embossing folders and Nestabilities die-cuts. You will have fun creating these unique cards. (Mary Asami)	None	\$5
Prayer Blanket	1st S—W12 2nd S—W26	Because you asked for it, we are repeating this great project to get others involved in making fleece lap blankets for a gift. Get friends or youth together to tie the fringe as they say a prayer for the recipient. Great gifts with no sewing or make one for yourself. (Sue Masamitsu)	Sharp Fabric Scissors	\$6-8
Mini Scrapbook	1st S—W13 2nd S—W27	Create an unique mini scrapbook featuring paper and elements from the cute and colorful Pinecone Press line. This book will be interactive with pages that either pop up, fly out or fold out. Please bring a 12x12 cutter, scissors, glue stick, scrapbook adhesive, ruler, 3D dimensional tape of pop dots, pencil. (Nami Aoyagi)	See List	\$10
Necklace	1st S—W 14 2nd S—W 28	You will absolutely love making a gorgeous necklace of your choice, possibly using crystals or pearls and maybe a charm. If you have tools, bring a ruler, flat nose pliers without ridges inside, jewelry wire cutters. Cost will be determined by what you choose to use. (Lynn Quan)	See List	\$10—15
Crystal and Pearl Bracelet	1st S—W15 2nd S—W29	Learn to make a beautiful bracelet using a combination of simulated pearls and crystal beads. Previous beading experience is not required. Beads are not too small but bring reading glasses or magnifier if that makes it easier for you to see. (Ellen Shimada)	None	\$15
Hula 101	1st & 2nd S W30	Learn basic steps to hula and choreography to a worship song. We will take up both sessions so you will enjoy learning to hula a complete song. (Helene Yakura)	None	None
