“JESUS WEPT” (Jn11:35)

“There is the time to weep, to mourn” Ecclesiastes 3:4

On March 11, 2011 The Unprecedented 4th World Worst and Japan's Worst Earthquake & Tsunami hit the Eastern Japan. “I saw Hell”, “My daily life was completely destroyed”, “Children returning from school suddenly disappeared”, “All family members were scattered in all directions”. By March 22, Dead Persons: 9,080. Missing Persons: 12,920. Refugees: 237,085 in 46 prefectures.

I just returned from Korea-Japan Joint Convention and at noon I saw the dreadful scene one after another through TV. I cried, and cried. Then I heard the voice of Jesus, “I cried more than you did”. Then the word of Bible came. “Jesus Wept“(Jn 11:35).

Here I realized;

1. The Capacity of Christ's Tears.
2. The Occasions of Christ's Tears.
3. The Importance of Christ's Tears.
4. The Practicality of Christ's Tears.

Let's depend on Him fully, and be recovered fully in another dimension. There is the time of crying, and mourning, questioning, asking why, to pray, to work, to dedicate, to plan. We will do these things through out Japan within the total body of Jesus Christ.

If you are led to help financially, please indicate “Urgent Help”.

At the same time, we keep on with the Korea Revival Mission in Chun Chon May 25-27), and will have preparation meetings in April also. And after Chun Chon, God opened the door to go to China from May 28-June 3. Please pray and support for these works.

These are rather personal matters: Mother will be just 100 years old on April 18th 2011. And our first grand child Daniel will be a first year student at the elementary school from this April. Please pray for both for the special blessings from the Lord.

Both my wife Yukiko and I are so grateful for your prayers and love gifts. May the Lord richly bless and reward you abundantly.

Blessings.

In Christ
