

Nichigo Coordinator Minako Fujimoto

If anyone would come after me, he must deny himself and take up his cross daily and follow me.

Luke 2:23

I sincerely thank you for your prayers and financial support that allow me to continue my work as the JEMS Nichigo Coordinator. Thanks to the work of every single member of the JEMS Nichigo team, progress is being made. I appreciate your valuable support from the bottom of my heart.

CPM Seminars

Two CPM (Christian Power Ministries) seminars were held at GVIC (Gospel Venture International Church) on February 10. Rev. Fukuno, who spoke at Mount Hermon last year and will also speak at Mount Hermon this year, was led by the Holy Spirit to start CPM in 1992. He's held seminars in various parts of Japan, but these were the first ones held in LA. 11 people participated from the Minami Osaka Evangelical Church where Mr. Fukuno served as the senior pastor.

We worshipped the Lord and listened to the Word. Pastor Nakahama, the Mount Hermon director, and others from NorCal participated. Attendants from Mount Hermon Family Camp and I were able to experience rich fellowship with them. Thank you to all of the volunteers and participants.

17th RJC International Conference

From February 15 to 17, 120 people came together at Calvary Chapel La Habra. The conference theme was "I planted the seed, other people watered it, but God has been making it grow" from 1 Corinthians 3:6. There were seminars, discussion, and times to encourage each other. Participants from across the US gathered together, and I hope that through these new encounters the Lord's work will spread.

Japan Summer Short-Term Missions

In cooperation with AACF (Asian American Christian Fellowship), a ministry for college students in California and the Seattle area, we are preparing to send short-term teams this summer focused on reaching elementary school students. We plan to hold three VBS programs at a church in Kawasaki, Tokyo from July 15 to 29. From July 21 to August 3, we plan to hold a church camp and get involved with youth groups in Nagoya and Toyohashi. For more information, please visit www.aacf.org/japan or email me at MinakoF@jems.org.

"The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." Luke 10:2

At the end of October, with the idea of "There is no child called a child, only humans called children," Pastor Tsutomu Uchikoshi is hoping to hold a MEBIG seminar in LA with the goal of making disciples of Jesus Christ. Through the seminar's participants, Japanese children will be reached with the Gospel. Please pray that the Lord will meet our needs.
