“If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land “ 2 Chronicles 7:14

My Dear Precious Prayer Partners,

We do praise God and thank you for your faithful prayers and supports. We entered latter half of 2014, and it became real inspirational opening. It was heaven on earth! Fulfillment of the long years of expectation. Home Coming Japan Gathering was really blessed. The Time for Japan has come!

The Time of Reconciliation

For Home Coming Japan Gathering, there were more than 800 from 16 countries. There we realized beautiful repentance and reconciliation through the blood of Jesus Christ. We called this as “repentance of Confidence“. Specially China, Korea and Japan were truly bound, and assured as one God’s Family.

The Time of Emancipation

We remember 70th year since the WW2 ended by 2015. As God’s people were delivered from the bandage of Babylon after 70 years, Japan may set free from all the past sins becoming a member of God’s Family.

The Time of Heaven on Earth

Remembering God’s Grace, Repenting sincerely, and Returning to the First Love, we will live under God’s Smile. We do our best to be holy and to bring the gospel. Please remember Kansai Revival Mission in Aug and Sep. May the Lord richly bless and use you mightly.
