About our speaker:

Although an Arizona native, Karen Wakamoto is a true California girl, growing up mostly in Huntington Beach and now resides in Los Alamitos. JEMS has been a significant part of her life. The two most important decisions of her life were made at Mt. Hermon...choosing Jesus and choosing Craig! When Karen was a junior in high school, Carol (Tani) Hart was a cabin leader and seminar leader. Carol spoke about her life in Christ, His amazing love for us and her life as an adventure in following Him wholeheartedly. That's what Karen wanted – not a religion but a real relationship with a loving God and to follow Him with her whole heart. Karen received Christ into her life that night and hasn't looked back since.

While in college, Karen met her wonderful future husband, Craig, when they were cabin leaders at Jr High Camp. She served on core in Asian American Christian Fellowship (AACF) at UCLA. God was preparing Karen to serve Him in various ways alongside Craig. Their major ministry and delight has been with their family – Nathan (23), Olivia (22) and Andrew (19). They have also directed Jr High Camp and she supports him as he is the Director of Main Camp. Karen has trained the First Time Cabin Leaders for about 20 years.

She is an active member of Evergreen SGV where she grows in Christ and serves Him. She also receives spiritual accountability and spiritual stretching in a community for growth, ArborSpring Ministries. The heart of the ministry is to help bring about healing and wholeness so folks can fulfill their God-given purpose.

Karen is so aware that women these days wear many hats and are stressed by work, family, expectations from others, etc. We all need to give and receive the truth of I Thess. 5:11, "Encourage one another..." Karen has a spiritual gift of encouragement which is so needed in our world that has become more divisive and difficult. We Need Encouragement! Get ready to be encouraged and to be an encourager.

The logo features the word "Encourage" in a large, black, cursive font with radiating lines around it. Below it, the words "ONE ANOTHER" are written in a smaller, black, sans-serif font. A small black heart is positioned to the right of the word "ANOTHER".

Therefore encourage one another and build one another up, just as you are doing.
