VISION FOR THE LEAGUE

As part of the JEMS sports ministry, our hope is that you can partner with us in our mission to **bring non-Christians into a relationship with Jesus Christ**. Thus, we have asked you to establish teams that are centered around an established ministry, with a few non-Christians that you wish to build relationships with. It is our hope that through fellowship (both on the court and off the court), it will allow for **opportunities** for an invitation to **church**, or even the sharing of the **Gospel** message. Therefore, we encourage further **fellowship after games**, and would love to hear of **any praises** that you may have from your team.

Being that our conduct as individuals can be beneficial/detrimental to our images as Christians, we ask that, as captains, you be in control of your team and be an **integral part of this ministry!** We understand that basketball is a game of competition and emotions can sometimes run high, but we want to limit as much negative perceptions as possible.

CHANGES TO ROSTER
